2. It was further resolved to involve alumni actively in the development of laboratories, infrastructure, conducting workshops/guest lectures and organizing mock interviews for the placement aspirants etc.

The Principal advised the faculty Alumni Coordinators to identify Alumni who are working in top-notch companies and use their services in conducting mock interviews. They were also advised to get in touch with alumni who have an expertise and experience in the latest advancements of technology and further invite them as resource persons for guest lecturers/ workshops etc.

The meeting concluded with the all office bearers who were relinquishing their posts expressing their opinions/suggestions and their experiences.

Principal
